

Malaysia. Truly Asia.

Malaysia is an exciting melting pot of races and religions where Malays, Indians, Chinese and many other ethnic groups live together creating a culturally diverse and naturally beautiful hub.

Multiculturalism has not only made Malaysia a gastronomical paradise, it has also made Malaysia home to hundreds of colourful festivals creating a tradition of celebrations and socialising. Malaysians are very warm and friendly.

Geographically, Malaysia is as diverse as its culture. There are two parts to the country, 11 states in the peninsula of Malaysia and 2 states on the northern part of Borneo.

Offering leisure options from rolling mountains to sandy beaches to exciting shopping districts, Malaysia is full of surprises, eclectic cultures and natural wonders.

Accommodation

Accommodation available includes on-campus accommodation and off-campus accommodation ranging from traditional college residence to modern shared apartments. With our extensive range of accommodation, there is something to suit everyone. All accommodation is reasonably priced and conveniently located close to the campus. Our Student Service Centre (SSC) is here to assist you every step of the way offering friendly advice and information to help you find the right place to live.

Student Residence Hall

Our Student Residence Hall is located within the main campus providing students with a convenient and comfortable place. Students staying in the air-conditioned accommodation are provided with a bed, study table and chair, cupboard and fan. Shared facilities include television, lounge, toilets, cafeteria, convenience store and washing machines.

Private Accommodation

Private accommodation is also available for those who prefer more privacy and independence. A list of private accommodation options can be obtained at the Student Service Centre. Students may also wish to consult the classifieds section of the local newspaper for more choices. There is no set location for private accommodation, however, students are encouraged to stay close to the campus. Private accommodation rental is paid directly to the landlord and accommodation options can vary between single, twin-sharing, partly furnished and fully furnished.

About SEGi University College

For more than 30 years, SEGi Group of Institutions (SEGi) has produced graduates from diverse backgrounds who have exceptional foundations for career achievement and personal success. With programmes tailored to meet both industry and student needs, past graduates have excelled in their studies and moved up as leaders of industry.

SEGi is one of the largest private higher education providers in Malaysia. The group now serves around 16,000 students through its six major campuses located in Kota Damansara, Kuala Lumpur, Subang Jaya, Sri Kembangan, Penang and Kuching.

Internationally Recognised Programmes

Providing industry driven programmes from the Faculties of Pharmacy & Allied Health Sciences, Medicine & Dentistry, Business and Law, Architecture & Built Environment, Engineering & Technology, Creative Arts & Design, and Education & Social Sciences that are focused with comprehensive curriculum and complemented by creative teaching and learning techniques.

Students who study at SEGi will have the benefit of learning through a variety of methods, including lectures, seminars, workshops and presentations from both national and international sources. SEGi also draws a large number of top-notch academics and captains of industries into its community, who serve as academic advisors, lecturers, examiners and moderators.

Through these efforts, thousands of Malaysian youths and international students who have studied or undergone training at SEGi Institutions, have gone on to write their own success stories.

Consortium of Global Partners

SEGi has built strong global connections with first-class universities worldwide as well as corporate links with many large companies, offering graduates a variety of internationally recognised qualifications and proven links with industry. SEGi's consortium of global partners consists of top-notch universities such as The University of Sheffield, University of Abertay Dundee, University of Teesside, Liverpool John Moores University and University of Sunderland from the UK; Upper Iowa University from the US; and the University of Southern Queensland from Australia.

First Class Facilities

SEGi University College flagship campus facilities include computer and multimedia laboratories, creative arts gallery, engineering laboratories, simulation wards, skills laboratory, multi-purpose hall, auditoriums, dental clinic, wi-fi facilities, cafeteria and café, 2-storey library, think-tanks, counselling rooms, student lounge, executive lounge, audio-visual laboratories, surau, video editing room, as well as sporting facilities including squash courts, badminton courts, swimming pool and basketball court.
